

## **Do's & Don'ts on Adoption**

### **Do's of Adoption**

- a) Adopt only from Specialised Adoption Agency (SAA), recognised by the Government
- b) Get registered with the agency and obtain a copy of your registration.
- c) Prepare all the documents which will help you to prepare mentally, for adoption.
- d) Get back if you do not hear from them after 10 days of registration for Home Study.
- e) Give the follow up report regularly after placement of the child.
- f) Prepare mentally for open adoption.
- g) Keep the mind open to adopt a child who is healthy, not her complexion & features.

### **Don'ts of Adoption**

- a) Don't adopt child from nursing homes & hospitals as it is illegal.
- b) Don't succumb to the demand for unreasonable adoption fees or donation.
- c) Don't neglect or abandon the child in future.
- d) Don't ask the agency for a beautiful child with sharp features
- e) Don't approach the agency to show the baby during the first visit.
